BIG EAST Tournament Tickets will be allocated based on Donor Level, then Option Selection, then Priority Points, and then availability. Current athletic donors (minimum \$100 annual commitment) will be ranked in order of donor level, then priority points. Ticket quantities are based on donor level. The NCAA and BIG EAST Conference provide a limited number of tickets to each participating institution for postseason events. Specific seat locations are determined by the NCAA and the BIG EAST Conference. UConn will accommodate as many donors as possible based on the number of tickets received from the NCAA and the BIG EAST Conference. Tickets will be distributed based on availability.

Season Ticket Upgrade & Relocation

Upon the renewal or purchase of season tickets for 2021-22, season ticket holders will have the option to upgrade, relocate, or select their season ticket seat locations during the online seat selection dates. Check page 8 for deadlines and seat selection dates.
